Conditions of Issuing:

1. This certificate serves solely as a commercial representation of the security posture of the assessed entity at the time of evaluation. It does not constitute a warranty or assurance to any third party that the entity is free from vulnerabilities or immune to security breaches. Aegisra Assurance LLP disclaims all responsibility and liability to any third party for any loss, damage, or claim, whether arising in the future or retrospectively, resulting from any failure or compromise of the entity's security controls.

2. Aegisra Assurance LLP is the issuing authority of this certificate. This certificate is neither endorsed nor approved by the PCI Security Standards Council (PCI SSC) or any of the participating payment brands. Any queries or clarifications regarding this certificate should be directed to Aegisra Assurance LLP at support@aegisraassurance.com.
